## Mrs. Sanchez Scoopz:

I was so glad to see so many of you at Spirit Day last Sunday! It was great weather and I think everyone had a fantastic time. A very special thank you to the PTC officers for organizing a wonderful event. I hope you also enjoyed the PTC meeting on Tuesday night. Aren't those smartboards great? We would love to have one in each classroom by the end of the year, so thank you in advance for all of your hard work in helping with the fundraising efforts of the PTC team. The PTC fundraisers also help provide events for the students, start-up money for the teachers, teacher appreciation, and help support many projects for the school. Remember, this is your organization! Attendance at the meetings and events is always a good way to find out what is going on at our school and to meet and talk with fellow families. Service credits are awarded for work that is done for the PTC organization. 20 service credits are needed for the year. They are not meant as a punishment, but rather a way to get everyone involved and working for the school. If you have any questions about service credits, don't hesitate to ask one of the officers. Let's all work together to continue to make our school great!

Enjoy your Labor Day Holiday!
